THICK'R LAWN

GET UP TO A **50% THICKER LAWN**

Scotts® Turf Builder® THICK'R LAWN is a

3-IN-1 SOLUTION

uniquely formulated to help turn weak, thin grass into a thicker, greener lawn with stronger roots in one easy application.

CONTAINS:

- SEED**
High performance grass seed to fill gaps in current lawn
- FERTILIZER**
Exclusive controlled release technology to feed, green and thicken new and existing grass
- SOIL IMPROVER**
Soil improves with organic materials and essential nutrients to encourage stronger root development

*Subject to proper care. Results may vary based on current condition of lawn.

1 PREP | PREPARE

Mow the area to a height of approximately 2 inches or lowest mower setting.
Corte el césped a una altura de aproximadamente 2 pulgadas o en la posición más baja de la podadora.

Rake or de-thatch to loosen the top layer of soil and remove any dead grass or debris.
Ratille o escarifique para aflojar la capa superior de la tierra y retirar todo el césped muerto y los residuos.

2 APPLY | APLIQUE

Use a Scotts® spreader to apply. Utilice un esparcador Scotts® para aplicar.

SPREADER SETTINGS

<p>SCOTT'S® HAND-HELD SPREADER</p> <p>SETTING 5</p> <p>Go over lawn THREE times Walk straight/recto/recto back and forth across lawn</p>	<p>SCOTT'S® MZ2® SPREADER</p> <p>SETTING 5%</p> <p>Go over lawn TWO times</p>
<p>SCOTT'S® DROP SPREADER</p> <p>SETTING 11</p> <p>Go over lawn TWO times</p>	<p>SCOTT'S® BROADCAST/ROTARY SPREADER</p> <p>SETTING 9</p>

3 WATER | RIEGUE

Water daily or as needed to keep soil surface moist for the first 2 weeks. Resume mowing when lawn reaches desired mowing height.
Riegue a diario o según sea necesario para mantener la superficie de la tierra húmeda durante los primeros 2 semanas. Vuelva a cortar el césped cuando alcance la altura deseada.

Freshness Matters
Scotts goes to great lengths to bring you the freshest seed available so you can grow your own thick, beautiful lawn. For best results always use fresh product. After opening, plant within the season. Store in a cool dry place, out of reach from children.

CAUTION: TREATED SEED. This seed has been treated with mefenoxam. Do not use for food, feed or oil purposes. Store away from feeds and foodstuffs. Keep out of reach of children.

Mefenoxam is a fungicide that helps protect seedlings from a harmful disease.

NOTICE: ARBITRATION/CONCILIATION/MEDIATION REQUIRED BY SEVERAL STATES. Under the seed laws of several states, arbitration, mediation or conciliation is required as a prerequisite to maintaining a legal action based upon the failure of seed to which this notice is attached to produce as represented. The consumer shall file a complaint along with the required filing fee (where applicable) with the Commissioner/Director/Secretary of Agriculture, Seed Commissioner, or Chief Agricultural Officer within such a time as to permit inspection of the crops, plants or trees by the designated agency and the seedman from whom the seed was purchased. A copy of the complaint shall be sent to the seller by certified or registered mail or as otherwise provided by state statute.
