BERMUDAGRASS  
DROUGHT-TOLERANT TO STAND UP TO SCORCHING HEAT

For best results, plant new seed in the late Spring or early Summer when daily average soil temperatures are consistently between 65°F and 80°F, or air temperatures between 70°F and 90°F.

**1 PREP:**

**NEW LAWN** Rake area to loosen the top layer of soil (approximately 2" deep) and remove any dead grass or debris, ensuring seed-to-soil contact.

**OVERSEEDING** Mow lawn at the lowest setting and bag the clippings. Rake to remove debris, dead grass, and loosen the soil, ensuring seed-to-soil contact.

**2 APPLY:**

Use a Scotts Spreader to apply the seed at the recommended spreader setting.

**NEW LAWN COVERAGE = 330 SQ FT**  
**OVERSEEDING COVERAGE = 1000 SQ FT**

**3 RAKE:**

Lightly rake the seed into the soil to ensure seed is covered just beneath the soil surface.

NOTICE: ARBITRATION/CONCILIATION/MEDIATION REQUIRED BY SEVERAL STATES. Under the seed laws of several states, arbitration, mediation or conciliation is required as a prerequisite to maintaining a legal action based upon the failure of seed to which this notice is attached to produce as represented. The consumer shall file a complaint along with the required filing fee (where applicable) with the commissioner/Director/Secretary of Agriculture, Seed Commissioner, or Chief Agricultural Officer within such a time as to permit inspection of the crops, plants or trees by the designated agency and the seedsman from whom the seed was purchased. A copy of the complaint shall be sent to the seller by certified or registered mail or as otherwise provided by state statute.

**FRESHNESS MATTERS** Scotts goes to great lengths to bring you the freshest seed available, incorporating everything from the packaging design to the product formula and the seed itself, so you can grow your own thick, beautiful lawn. For best results, always use fresh product. After opening, plant within the season. Store in a cool dry place, out of reach from children.

**CAUTION: TREATED SEED.** This seed has been treated with mefenoxam. Do not use for food, feed or oil purposes. Store away from feeds and foodstuffs. Keep out of reach of children.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>

Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn, and sweep any product that lands on the driveway, sidewalk, or street back onto your lawn.
